

## STUDY ABROAD IN ITALY

Birthplace of the Renaissance. Cultural mecca. Pizza and gelato paradise. The attractions are endless when it comes to Italy. Discover la dolce vita as you stroll through miles of elegant porticos and famous food markets of Bologna, visit Rome's monumental sites clothed in marble, or meet with local artisans in Florence. As you master Italian, uncover Italy's passion through its language—call a treasured friend tesoro or display your sprezzatura or nonchalant elegance in historic piazzas.

### PROGRAM FEATURES

- Twelve programs to choose from
- Themed and immersion programs available
- Programs offered in Summer, Fall, Winter, Spring or academic year

### INTERNSHIP OPTION

The University of Bologna program offers the option to add on an internship. You can gain International work experience in a number of local organizations—from local schools to cultural associations to museums. Many internship opportunities are available to match your interests, and the Bologna study center staff stands available to help you set it up.

### PROGRAMS IN COUNTRY

#### University of Bologna

##### Fall or Spring Semester, Year

Enrolling directly in the university, you can choose courses taught in Italian from a wide range of disciplines to accommodate your UC major.

#### Italian in Florence

##### Summer, Fall Semester

This program offers Italian language study where you can take small, interactive language classes at the beginning or intermediate level. Some options include taking upper-division Italian area studies courses taught in English that explore a variety of topics including business, culture, food, marketing, art history, film, and more..
