March 2016 Graduation  
Double Major: French and  
Economics

I was a double major in French and Economics while attending UCD. I enjoyed the feeling of a team and collaboration and positive energy. I have nothing but great things to say about colleagues, staff and faculty in the French Department. Take all the courses you can while on campus, study abroad if your schedule and time allows and take the time to get to know the French faculty and graduate students, they are amazing and helpful. I'm currently in sales; I was first with EJ Gallo and now I'm in Denver working sales with Sumo Logic.
